OUR GOALS

- To provide a loving, safe, healthy, and fun environment for your child.
- To allow parents to learn and worship free from concern for their child's well being.

Check-In Procedure

- When you come to the nursery area, register your child with the nursery attendant
- A nursery worker will take your child to the appropriate room, where caring staff will welcome and attend to your child
- You will be given a pager to take with you. The pager, which needs to be kept next to you, will vibrate if your child needs you

Infant Area

- Quiet/private room for sleeping infants and nursing mothers
- Area for children to safely crawl and play

Toddler Area

- For children walking confidently
- Developmentally appropriate books, music, and toys

Family Room

- Comfortable area where parents can attend to baby's needs.
- Designed specifically for parents (mothers and/or fathers) who are not ready to leave their infants in the care of the nursery staff

Cry Room

An enclosed cry room is available behind the sanctuary where parents can experience the worship service with their infants without disturbing fellow worshippers. The cry room also includes a private nursing room for nursing mothers. An usher can help you locate the cry room.

Health Standards

For your child's health, as well as that of the other children, please follow these rules:

- ✓ Clearly label his/her belongings (diaper bag, bottle, cup, etc.)
- ✓ Securely attach your child's pacifier to his/her clothing
- ✓ Leave your child's own toys at home, if at all possible.
- ✓ Do not leave your child with us if he/she has:
 - Fever
 - Thick nasal discharge
 - Vomiting
 - Diarrhea
 - Unusual irritability
 - An infectious disease
- ✓ Please note: Our nursery staff does not administer medication.
